#### Remarks

This stunning Dominica floorplan built by K. Hovnanian with 3 bedrooms and 2.5 bathrooms and an office also features a flex/bonus room which could be used as a den, a craft room or as an extra sleeping space for guests. It is a true masterpiece of design and craftsmanship located in the Gated 55+ resort style Four Seasons community. This bright and open floor plan features tile flooring in all rooms except the carpeted primary suite. Double paned windows bathe the interiors in natural light. High ceilings in all rooms and 11-foot tray ceilings in the dining room, family room and primary bedroom add to the feeling of luxury. Sliding glass doors lead to the paved covered lanai with a built-in gas grill ideal for al fresco dining and relaxation. Step outside into your own private oasis. The outdoor space is beautifully landscaped and nestled against a gentle rise at the 17th hole of the Mystic Dunes golf course providing privacy from golfers and spectacular views of the morning sunrises and local birds, as well as rocket launches from Cape Canaveral. The heart of the home boasts a gourmet kitchen with a large corner pantry, solid surface countertops, a five-burner gas stove, high end appliances and custom cabinetry with under cabinet lighting. The huge kitchen island is the perfect workspace for
